Policy regarding Payment of Fees

Please ensure you can afford the school fees before signing the contract. As a private education facility we rely solely on timeous payment of fees to remain operational. There are many excellent government subsidized primary schools in and around our area. Please DO NOT enrol your child with us if you cannot comfortably afford the required payments. We do not like having to chase after outstanding fees any more than you as parent like receiving phone calls or being stopped at the entrance.

To ensure the long-term viability of the Academy it is necessary to act with financial prudence and place certain procedures in place with regard to payments, collection of fees, arrear accounts and the recovery of debt. The purpose of this policy is to standardize the procedure for the collection of outstanding fees. The policy is in line with the enrolment contract as well as the provisions of the Consumer Protection Act (CPA) Act 68 of 2008 and will apply to all Parents/ Guardians/ Trusts/ Benefactors of a child/children who are students at KimField Academy at or from the date of implementation of this policy. All outstanding fees, including fees outstanding prior to this policy being implemented by the Board of Governors, will be covered by this policy.

The school offers three payment options:

1. Annual Fee Payment

The full payment of annual fees on or before 1 January attracts a 10% discount applied to the annual fee charge. The 10% discount will only apply to payments that reflect in the Academy's bank account by this date. No exceptions will be made to this rule. The discount also applies to aftercare fees paid in advance.

2. Termly Fee Payment

Termly fees are due on or before the first day of each term. The term dates will be communicated in advance at the start of the academic year. A 5% annual discount is applied to termly fee payments made upfront.

3. Monthly Fee Payment

All parents choosing this option must please complete a debit order form. Monthly fees are due for payment in advance by the first day of the month. The debit order deductions take place on the first working day of the month or on the day that you indicated on your debit form/contract. Monthly fees are calculated based on the annual fee over 12 months covering the period January to December.

In the event of the party responsible for payment not being able to comply, they must make an acceptable arrangement with the Business Manager indicating when fees will be paid. Should they fail to meet the arrangement, the account will be deemed to be in arrears, and the Academy will take the necessary steps to recover the outstanding amount. The Academy will deactivate your fingerprint/ access card access by the gate. We will hand you over for blacklisting with Accountability.

Should a debit order instruction be returned as unpaid for two consecutive months the account will be flagged as high risk and a security deposit equal to one month's tuition fees will become payable in addition to the arrears amount before the account will be reinstated.

Please note that the contract entered into with KimField Academy is conditional upon the financial obligations agreed to within this contract. **Non-payment of fees will be regarded as a breach of contract** and result in a 30 day notice period to either remedy or find an alternative school for the pupil.

4. Account Statement

An account statement is available upon request and will be emailed to the address provided for the Academy's database. The onus is on the account holder to ensure they receive a monthly account or request such from the administrator admin@kidsinternational.co.za

I, _____ (full name of person responsible for fees), have read and fully understand the above regarding payment of fees, the financial obligation I am taking on and the consequences of not meeting these obligations.
